TONY BUSH & "THA DEACS"

**ARE COMING
TO A CITY NEAR YOU!**

Antonio DeShaun "Tony" Bush was born on March 29, 1988 in Nashville, Tennessee to Ira Rankins and Angela Brown. Antonio Bush accepted Christ at an early age and began playing pots and pans in the kitchen of his grandmother's home. At such a young age, Antonio began to grasp what his calling was and launched his career to play drums at the age of five.

Antonio Bush has been blessed to play for many great artists such as Kurt Carr, James Fortune, Wes Morgan, Rizen and more. Antonio has been favored to travel on tour with Pastor Tim Rogers and The Fellas for four years. Tony Bush is currently the drummer for the award winning gospel recording group, The Canton Spirituals. God did not stop there, he saw fit to open more doors for Antonio and his gifts he bestowed within him.

In 2010, Antonio founded Tony Bush & Tha Deacs. Bush formed this group to fortify the meaning, bring something different and unique to the Quartet world. From this ministry, many songs have been birthed such as "SoGood", "Thank You", and "Get Back Satan". The music from Tony Bush & Tha Deacs are true testaments of what Antonio and others have been through. The most recent sound of Tony Bush & Tha Deacs are "Wonderful Feeling" and "Shout 4 Jesus" featuring Lisa Knowles Smith, both produced by Ayrton Lewis.

By the age of 27, Tony had experienced four major surgeries. All procedures were severe including one Cardiovascular Surgery and multiple tumors removed from his lungs numerous times. After his second surgery Tony heard the voice of The Lord saying "What Else Do You Need", I have called you for such a time as this.

God has given him another opportunity to tell his story and share the gospel. At that moment Tony accepted his calling into the ministry. On Antonio's 27th birthday he preached his initial sermon entitled "Stay Put". Antonio Bush is ready for life's journey and he has proclaimed to many, "Wherever The Lord Leads I Will Follow".

Stay Tuned for Tony Bush & Tha Deacs!

THE CARVILERS OF FLINT

Every once in a while an unparalleled group arrives on the scene who leaves an indelible impression! Clearly, "The Flint Cavaliers" have done just that! This power-packed gospel quartet is comprised of anointed men. When this distinguished quartet sings, they become instruments through which the intent of worship and praise is fully recognized.

Their commanding vocal talent is at a level of brilliant achievement and magnificently demonstrated on their recent project "Havin' Church" on Lowrush Records. This dynamic project features their debut single "Same God." If you love gospel music at its finest -- this is the project for which you have been waiting! Audiences are notably elated by their pitch which is flawless and the production of "Havin' Church" is a smorgasbord of musicality. This anointed release received a Stellar Award Nomination in 2014.

The lyrics are masterfully approached and elegantly oriented. The vocal talent on this project takes melody and harmony in a new direction. "Havin' Church" is an authentic masterpiece delivering refreshing infusions of inspiration. A dialogue is immediately established with the melody and the lyrics. Such profoundness affirms an uplifting and liberating factor to the listening ear. The sheer depth and intensity of their stylistic diversity on the

project raises the bar of excellence. The tone of their vocals results in effortless singing with a personalized melodic/harmonic blend.

The "mark of excellence" is what the group delivers! A quick glance at their discography is a stunning manifestation of their excellence in production. Their discography consists of "Live In Concert," (1999), "The New Flint Cavaliers" (2003) and "Reborn" (2005). Notably, their first hit, "Have You Ever Been Burdened," was well-received in numerous venues and was the "crowning conquest" of twenty-five years of labor-intensive music production.

In 1999, their first project, "Live In Concert" charted #11 on "Billboard" for 52 weeks. Accordingly, they received the distinct "Soul Train" nomination for Best Gospel Recording! Following the tremendous success of their first project, the group quickly released their second project "The New Flint Cavaliers." However, this project was eventually successful despite overcoming many obstacles along its path!

When The City Of Flint, MI is mentioned today. We think of the "Flint water crisis" that began in April 2014. Which is a drinking water contamination issue in Flint, Michigan, United States that started in April 2014. After Flint changed its water source from treated Detroit Water and Sewerage Department water (which was sourced from

Lake Huron as well as the Detroit River) to the Flint River (to which officials had failed to apply corrosion inhibitors), its drinking water had a series of problems that culminated with lead contamination, creating a serious public health danger. The corrosive Flint River water caused lead from aging pipes to leach into the water supply, causing extremely elevated levels of the heavy metal neurotoxin. In Flint, between 6,000 and 12,000 children have been exposed to drinking water with high levels of lead and they may experience a range of health problems.

In times of trouble, hopelessness, despair, heartaches and pain such as what the cities of Flint, Chicago in various countries and cities around the world face. We need to hear a comforting word from Heaven. The Stellar Award nominees, The Flint Cavaliers latest single "Holding On", is that word from Heaven. With the City of Flint, MI facing a major crisis through its contaminated drinking water. As well as the city of Chicago facing a great barrier dealing with countless murders in record numbers. The Flint Cavaliers collaborated with Chicago native - Pastor Floyd Skinner of RAYFIELD MBC (Chicago, IL) to dedicate this song to encourage our neighbors, family and friends of the Cities of Flint, MI & Chicago, IL to keep holding on.... we pray for a healing of the bodies of the victims from the contaminated water. We're praying for a healing of the heart, mind & soul for all of those who feel their trust has been betrayed. We hope this song inspires us all to keep holding on!!

Behind every song there is always a story. A story that helps us to understand how artists arrive to the places they find themselves in, where they write the songs that touch our hearts."

This story is one of survival and determination. The newest single release and soon to be completed project is being produced by lead guitarist:

LaDerrick "LA" Williams. He has been with The Flint Cavaliers since the summer of 2002! He was recruited as a 2nd guitarist to accompany Minister Craig "C.J." Johnson who was the current guitarist of The Flint Cavaliers at the time. Minister Johnson is currently the manager and lead singer of the group. While "LA" currently the Music Director (MD).

Shortly after "LA" had been appointed Music Director he fell ill in late winter of 2012. He was hospitalized for a week. During that week he had been diagnosed with Acute Kidney Failure better known as End Stage Renal Disease (ESRD). The group had been due to perform in several cities that weekend. When Minister Johnson received the news his MD had been hospitalized and diagnosed with kidney disease. He cancelled the scheduled performances. "LA" was told by doctors he had to start dialysis immediately! When he received this devastating news he asked to be alone and said this prayer: *"FATHER IN HEAVEN, IF IT BE YOUR WILL THAT I DRINK FROM THIS CUP. THEN I SHALL DRINK..... IF IT BE YOUR WILL THAT THIS IS THE MOUNTAIN I CLIMB THEN I SHALL CLIMB IT..... IF IT BE YOUR WILL THAT THIS IS THE BURDEN I CARRY. THEN I SHALL CARRY IT. I DON'T ASK THAT IT BE REMOVED. I ONLY ASK THAT YOU GIVE ME THE STRENGTH TO DO WHAT YOU HAVE APPOINTED FOR ME TO DO"*.

March 25, 2012 "LA" started his dialysis treatments three times a week, four hours each treatment. For several months he didn't travel or even play his first love - the guitar. It was during this time he was reading The Word of The Most High. He began to read 1st Samuel 30. He came across the following passage of Scripture in verse 6: "And David was greatly distressed; for the people spake of stoning him, because the soul of all the people was grieved, every man for his sons and for his daughters: but David encouraged himself in the Lord his God.". At that point "LA"

picked up his guitar and began to encourage himself, singing the chorus to a song that would become the latest single for The Flint Cavaliers: "Holding On".

To dialyze takes a tremendous toll on one's body, mind and spirit. Yet, through the prayer request "LA" petitioned The Almighty with. He endured 4 1/2 years of dialysis while still traveling with The Flint Cavaliers. As well as performing with Internationally acclaimed Grammy nominated artists as: Brian McKnight and Otis Clay. He also performed with National Gospel artists: Evelyn Turpentine-Agee and The Williams Singers. In many cases he made arrangements to dialyze while traveling on the road. Having to perform immediately after receiving dialysis. When asked how did he muster the strength to do it. He gives but one simple response with great sincerity: "I would be a fool to attempt to take credit for something, in which, I don't deserve credit for..... I asked My Father but for one thing to help me to endure this burdened and HE granted it to me. HE gave me necessary strength to I needed to endure".

On August 2, 2016 "LA" received his first call to come to the hospital and get transplanted for a new kidney after waiting faithfully 4 1/2 years. His transplant was a success and he looks forward to finish producing The Flint Cavaliers project. He says he'll continue to run on to see what the end shall be!

THE BIG VOICE...

RAVEN FIFER

In 2011, Raven posted a video to Facebook singing the Gospel Legends' "Sit Down Weary Servant" and the video went viral. Since, she has gained over 30,000 friends and followers who have been encouraged and blessed by videos she post. A video of her singing Vashawn Mitchell's "Turning Around for Me" has received over 3 million views and has been shared by people across the world. It was through these videos that God revealed to Raven the power of the gift He has given her. With the encouragement, guidance, and help of her best friend and mentor, Lisa Knowles, Raven had her very first solo concert in memory of her deceased mother on her 30th Birthday, April 11, 2015, and released her unofficial single, "Love," produced by Lisa Knowles and TeMarkus Walker. It was at this concert that Raven gave God her Yes to go wherever He sends her using her gift to glorify God!

Raven Fifer started singing in the church at the age of 5. Her mother, a devout Christian, choir director, and Sunday School teacher took her to churches across Memphis and North Mississippi and people were in awe of the little girl with the big voice. Raven started playing the piano at the age of 10 and later went on to serve as minister of music at Union Valley Baptist Church in Byhalia, MS for 5 years. She also helped out with other ministries when called upon.

As she grew older, Raven found her comfort singing background. In the recent years, she has done background for 2-Time Stellar Award winning Lisa Knowles and The Brown Singers as well as Lisa Knowles' solo performances. In 2013, she was featured as a background vocalist for The Shirley Caesar Tribute in Memphis, TN, singing behind artist such as Crystal Rucker, Kierra Sheard, LeAndria Johnson, and Pastor Shirley Caesar.

When it comes to life you should expect multiple twist and turns. No one knows that more than power couple Larry and Alisa Reid!

Larry D. Reid is a rising stellar award nominated gospel recording artist, pastor, and author who just relocated from Raleigh-Durham to Atlanta following what he believes is divine leading. He leaves behind his wife of 17+ years that is currently in the military finishing her career of almost 20 years at Ft. Bragg NC. Larry for the sake of exposing his kids to a better life has brought the kids with him and Alisa travels back and forth from Raleigh to Atlanta on some weekends. This makes the way their family structure is setup controversial and an unique pair. Both are yet continuing their education after completing masters in counseling.

Remember talking about the twist and turns? Larry and his wife Alisa have been married and divorced. With time consuming careers they balance it all amazingly. Though taboo, their relationship woes has become their greatest strengths as they counsel multiple marriages on how to manage Faith, Career, Family, Finances, Infidelity and Divorce and still come out on top.

If I had to give artists, pastors, married couples, and those who are waiting on their God fearing husband/ wife I would simply say this: "Grind with Your Eyes Open."

ERICKA MALONE AND THE MALONE PROJECTS PRESENTS...

Definitely a unique gift that has not gone unnoticed, the marketing and promotions skills of The Malone Project can be seen around the nation. The idea to continue the family legacy in gospel quartet was intended to keep the grandchildren of the late Deacon Henry Malone bonded to their teachings and upbringing to be helpers to one another and go beyond all measures to extend the gift God gave you. Michigan born and Alabama raised, Founder and CEO Ericka Malone exemplifies no doubt in what her grandfather taught her about ministry. Ty Ty, as he affectionately called her, "If you put something in it, you will get something out of it".

Born 1973 in Southfield, MI to Barbara Malone, God created the plan way back then that Ericka would set the precedence in marketing and sharing ministries around the world. Hailing from the Gulf Coast of Mobile, AL with a strong Christian foundation, Ericka experienced first hand the passion and anointing in gospel music ministry.

When asked what inspires her, Ericka replied, gospel music. How could you not feel it. It's the foundation to our story. I guess it would be ok to say, accompanied with that unique quartet style of praise, it's been my refuge. Gospel music has carried us through the trauma of the 1930s, nurtured in the dramatic shifts of the 1940s and 50s, validated during the uncertainties of

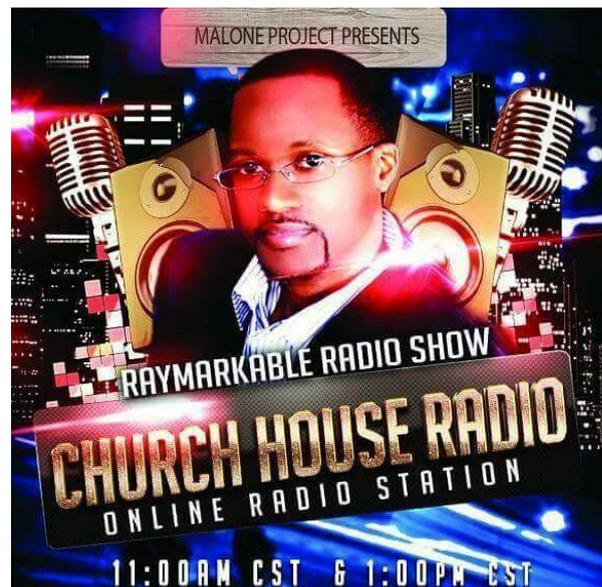

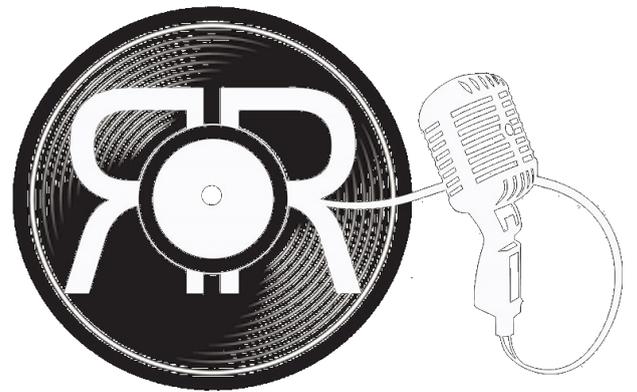

the 1960s and 70s, and complicated amid the technological advances of the 1980s, 90s and today, gospel music and those like my daddy, William J Rankin, that brace it with heartfelt vocals has wonderfully articulated the hopes, fears, struggles, and joys of generations.

Ericka has afforded the opportunity to share in marketing and promotions with such ministries as two time Stellar Award winner Yes Lord Radio and she served on the 2014 Executive Board of Rhythm of Gospel as Director of PR.

The growing roster of artist and ministries being marketed by the Malone Project continues to grow today, Ericka proudly shares the expertise and creativity of this awesome ministry with Brittney, LaVonya and Kristen Reel of West Memphis, AR. Working collectively together, the team has successfully managed social media campaigns, website design and content as well as the branding of ministries that impact our gospel genre. Continuously networking and creating platforms to elevate our quartet genre has served pivotal to the team's growth.

The diversity of gospel ministries now being marketed by The Malone Project include:

- JSpivey Productions of Huntsville, TX
- Radio Angel Angier Johnson of WVAS Montgomery, AL
- Church House Online Radio Memphis, TN
- Shawn Brown and Da Boyz of East St. Louis IL
- Raymarkable Music Group of Rocky Mount NC

- Roy and Revelation of Hopkins, SC
- iBelieve in Us Campaign of Houston TX

REV. MATTHEW AND THE HIGHWAY TRAVELERS

A few words that come to mind when you think of Rev. Matthew Mickens and the Highway Travelers of Hopkins, South Carolina. This unique group of undeniable talent consists of Rev. Matthew Mickens along with his sons and nephew: Justin, Colton, Todd, and Jamie Mickens.

The unapologetic loyalty to true quartet, coupled with their one of a kind fashion, has gained Rev. Matthew Mickens and the Highway Travelers many opportunities to continue a family legacy that began well over forty years ago. It is the raw appeal of this family singing ministry that will leave a lasting impression on all of those fortunate enough to experience Mickens Music.

Over forty years ago, Deacon James and Pastor Hattie Mickens had a vision for the Mickens family. Because they both loved singing, they formed a singing group that consisted of their thirteen children who named themselves The Highway Travelers.

After some time, The Highway Travelers grew apart and in 1997, the fourth of thirteen children, Rev. Matthew Mickens received his mother's blessing to continue the family group; thus forming Rev. Matthew Mickens and The Highway Travelers.

With Justin, Colton, Todd, and Jamie by his side, Rev. Mickens has recorded six albums and with God's favor, they have surpassed "just" singing. The Highway Travelers have a strong presence in the community with their association with Back to School activities and also through their own sponsored event, Community Day. This event is near to their hearts and is geared towards keeping children from the streets. The Highway Travelers are also committed to The Operation Worship Tour which offers support to troops in preparation for war with combined worship services.

Rev. Matthew Mickens and The Highway Travelers--- simply incredible; both on and off stage. But above all, this family is a true testament of what a father and mother's vision can produce.

SHARING THE GIFT OF SONG...

Jolie Rocke Brown

Jolie Rocke Brown is a soprano whose talents have taken her from a Carnegie Weill Recital Hall debut to spotlight performances with the Hartford Symphony Orchestra, Connecticut Opera and Houston Ebony Opera to European tours with New York Harlem Theatre, Italy's Studio Lirico, and most recently Far North Queensland Australia. With the 2014 release of her newest CD "Rock of Ages: Hymns for the Soul", she is quickly gaining greater exposure as a solo artist across the US.

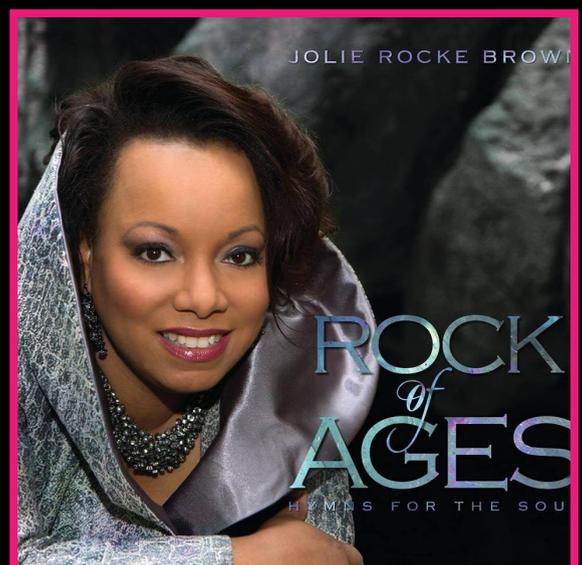

Connecticut Women's Hall of Fame honored Ms. Rocke Brown in 2012 for her acclaim as a singer and music educator. The Amistad Center for Art and Culture housed at the Wadsworth Atheneum in Hartford, honored Jolie with the 2014 Spirit of Juneteenth Award.

Her classical music training includes an undergraduate degree in music from the University of Hartford's Hartt School, graduate work at Loyola College, and doctoral studies at the University of Connecticut. She is known for her soul-stirring renditions of hymns, spirituals, gospel and jazz that linger with audiences far beyond the vibrations of the last note. Common to her repertoire are Mozart's Despina from *Così fan tutte*, and Zerlina from *Don Giovanni*, Puccini's Musetta from *La Bohème*, Strauss' Zerbinetta from *Ariadne auf Naxos* and Gershwin's Clara from *Porgy and Bess*.

Hartford Courant writer and critic Owen McNally marveled, "Jolie Rocke Brown a gifted, versatile vocalist from Wethersfield who's as much at home soaring on opera arias and celestial hymns as she is getting down with funky blues and earthy jazz, just might, at long last, have the whole world in her hands thanks to her new soulful album, "Rock of Ages: Hymns for the Soul." Legendary poet,

educator and activist, Dr. Maya Angelou noted, "Jolie Rocke Brown sings with such passion ... and compassion!"

Jolie draws from her total life experience when she takes the stage or works with aspiring young artists. For over 20 years, she worked in Hartford's public, charter and Montessori schools as an academic and music teacher. As an inspirational teacher at the Greater Hartford Academy of the Arts and adjunct professor at Manchester Community College her students have recognized music careers as viable, satisfying and stable. Her passion for music and the desire to pass it on to her students, leads her to produce concerts, direct community arts programs and to provide further enrichment as a private voice teacher and coach. While her singing career soars, her dedication to training and providing performing opportunities for young artists is unwavering.

BEVERLY RHODES

Beverly began an exciting journey at age 6 that would impact young people for many decades upon joining The Second Baptist Junior Choir under the leadership of the Late Juanita Denson. Her affiliation led to many opportunities to participate in and gain exposure as an actor in “Marching to Zion” spiritual play from 1962-1968. During the February 22, 1968 play performance, she met Dr. Martin Luther King, Jr. which made an indelible impression in her mind regarding the arts and the community. She graduated from West Fulton High School and attended Georgia State University for two years. However, she left to marry William C. Rhodes and start a family. They had two children, Rev. Brian C. Rhodes Sr. and Nicole Rhodes Allen. She is the grandmother of seven and one great-grandson.

She spent many years volunteering in the community, working with schools and churches as a mentor, community play director and later producer. She co-wrote civil rights play “Heroes for Freedom-Freedom Is Not Free”, and produced the popular play “Marching to Zion” with mentor The Late Maria Pullin until 1986. She has always been a trendsetter and champion for youth causes. In 1995, she organized “Olympic Challenge” sanctioned by the City of Atlanta to introduce youth to the Olympics and present activities that promoted safer communities during the Olympic Games. Over the years, she volunteered as Project Director for Knock

Out Drugs Inc., a non-profit drug prevention program from 1984-2000. In 1996, she founded Shades of Color to produce for profit events for the church community. Voncilę Bęlicher

Glory Bound

The voice that Rejuvenates Traditional Gospel Music!

Born in the small town of Ozark, Alabama, she enjoyed singing for her family. She hails from a strong religious background; her father was a noted minister while her mother was a well-respected missionary. With deep gospel roots her yearning to sing thrived. Today, her love for Gospel has awarded her many opportunities to minister through music, and has led Voncile Belcher to peruse her fourth solo project.

In 1968, Voncile moved her family to Rochester, New York. There she became affiliated with the City of Rochester Mass Choir, which was her first opportunity to perform on a professional level. In 1974, she and her family returned to Ozark, Alabama. There she was introduced to Gospel Music Workshop of America – Alabama Chapter. This association would prove to be the catalyst to her first recording venture. With the Harris Temple Church of God in Christ, under the direction of Keith Ellison, she recorded and sang lead vocals on “Do You Know Who Jesus Is” which became a blessing and inspiration to many.

Later in 1985, she again relocated to Atlanta, Georgia, and she transferred her GMWA membership to the Atlanta Chapter. She was welcomed with open arms. While in Atlanta she took charge of her career and began recording. Steady, in the studio Voncile met a man that would change the course of her life. Milton Bigham, the then President of Savoy Records gave her a little piece of paper with three lines. With those three lines she sang lead vocals on the track ‘Look Where He Brought Me From’ that appeared on Georgia Mass Choir’s 1985 ‘We’ve Got the Victory’

album. The song became an instant hit on The Gospel Billboard Charts. Along with Georgia Mass Choir, Voncile also sang lead on ‘Hold To God’s Unchanging Hand’ written by Gospel Great James Bignon.

As success arose it enabled Voncile to expand her ministry by booking various performances across the country, and ministering to audiences of all race and religions. As Voncile returned to her solo career, with a leap of faith it led her to the release her first album entitled ‘Be Strong’. Coming of the highs of ‘Be Strong’, Voncile began to cultivate her gift of writing. She released her second project ‘What a Time’ in which she did a vast array of writing, arranging, and co-producing. Once more again with success and opportunity in view she head back to record her third project. Low Rush Music released ‘Kourageous’ in the Summer 2010. Now, under her own newly formed Glory Bound (GB)Records, she is set to release her most anticipated solo project, with its leading single ‘Alright’ produced by Tim Fryar & Rodney Edge under New Me Productions. It is a fresh, new, and innovative Voncile Belcher.

Voncile’s opportunities have enabled her to perform with small, medium, and large ensembles, which have included professional choirs. Voncile continues to lend her vocals to the Atlanta Symphony Orchestra, and Battle of the Bands. It is her desire to continue to minister the Word through song so that all may be HEALED, DELIVERED, & SET FREE!!
